Experience

IT Staff Intern, Tirta Makmur Sukoharjo

January - February 2023

My 1st semester break was filled with internship assignments.

- Developing a company profile website: SITAMPAN
- Make a customer service information flyer design
- Simple troubleshooting

Education

Universitas Prasetya Mulya, *Software Engineering*

July 2022 - now

I am grateful to be able to enter a college major according to my preferences since high school, especially Prasetya Mulya University, which I did not expect to be able to study there thanks to a scholarship.

- Bakti Indonesia Scholarship

SMA Unggulan CT ARSA Foundation Sukoharjo

July 2019 - March 2022

A boarding high school with a specialization in mathematics and natural sciences, I learned a lot about life, family, and pain.

- CT Arsa Foundation Scholarship
- 2nd place INFEST Business Plan Competition by ITTS 2022
- Top 10 Krenova Sukoharjo 2022
- 15 selected authors of food-themed books from Balai Bahasa Jawa Tengah 2021
- 5th place in an essay competition commemorating 100 years of Soeharto from Trilogy University 2021

Certification

Python (Basic), Hackerrank

December 2022

It covers topics like Scalar Types, Operators and Control Flow, Strings, Collections and Iteration, Modularity, Objects and Types and Classes
