Aziz Rahmad Isnanto

Software Engineering Student

A software engineering student at Prasetiya Mulya University who has a thirst for knowledge related to technology, he dreams of becoming a reliable programmer.

Experience

January - February 2023

IT Staff Intern, Tirta Makmur Sukoharjo

My 1st semester break was filled with internship assignments. I was placed in the IT division and gained a lot of experience regarding implementing IT in a company
- Developing a company profile website: SITAMPAN
- Make a customer service information flyer design
- Simple troubleshooting

Education

July 2022 - Now

Universitas Prasetiya Mulya, Software Enginerring

I am grateful to be able to enter a college major according to my preferences since high school, especially Prasetiya Mulya University, which I did not expect to be able to study there thanks to a scholarship
- Awardee Bakti Indonesia Scholarship 2022
- Design division of PESONA Talks 2022

July 2019 - April 2022

SMA Unggulan CT Arsa Foundation Sukoharjo

A boarding high school with a specialization in mathematics and natural sciences, I learned a lot about life, family, and pain
- CT Arsa Foundation Scholarship
- 2nd place INFEST Business Plan Competition by ITTS 2022
- Top 10 Krenova Sukoharjo 2022
- 15 selected authors of food-themed books from BBJT 2021
- 5th place in an essay competition commemorating 100 years of Soeharto from Trilogy University 2021
